Hey Commander,

Hope you're well.

I work closely with your Success team member, Hector Valdez (Flock Safety) and my focus is on growing our LE Customers network of private cameras. To put it simply I'm your go-to for any HOA, apartment, condo, etc.

On that note, I've been reaching out to a few of our strongest police relationships to continue the conversation around growing their network of privately funded cameras and your department came to mind so I wanted to see if it made sense for us to jump on a quick 10-15 minute call to discuss how I can help grow your Flock presence.

To make it easier check out my calendar by clicking here.

All the best,
